

# interactive experience for your brand

We specialize in "**interactive experience**", which means we take care of our creations in way that they are interesting, funny, breath-taking, humorous but not boring and definitely unique.

We integrate new services with traditional ATL & BTL actions.

## **Our competences are within:**

- brand marketing communication strategy
- creating of websites, micro sites, brand sites & corporate sites
- advergaming & in-game advertising, multimedia and interactive gadgets
- online campaigns, social media, buzz & viral marketing
- CRM, CMS, RIA applications in Flex/AIR technology

## **Team members of our agency have previously had a chance to create projects for such renowned clients as:**

Partner of Promotion, Profile Dialog, Opoczno, Puma Create, Big Star, House, Plus, Always, BRE Bank, Hella Polska and many others.

## **Currently we are working for:**

Onet.pl, Zumi.pl, Gadu-Gadu.pl, iSing.pl, SARE.pl, Kompania Piwowarska, Związek Firm Public Relations, SOKPOL, Group PRYMAT, Campaigns The Bird!, IMB Poland and many others.
